Refrigerant Handling
Licence Number

PLEASE NOTE

- Please email this form to **TrainingAcademy@daikin.com.au**
- Courses are designed for trade qualified technicians (full individual unrestricted refrigerant handling license).
- Apprentices attending will only be allowed with a qualified technician from their own company and must provide individual trainee refrigerant handling license.
- Applicants will be placed on a waiting list if a class session reaches maximum capacity and notified when seats become available.
- If your company would like a separate day of training, please email your request.
- Bookings are on a first come first served basis. Only enrolled participants are allowed to attend.
- Confirmation of course enrolment will be sent within 5 working days to the main contact person of your company.
